Safety Tags Identify Temporary Hazards

Our selection of safety tags is just as diverse as your workplace.

- Prevent the potential for accidental injury and property damage
- Alert, call out or draw attention to temporary hazards
- Required critical tool in safety, performance and maintenance operations

We Have What You Need

Look to us for the tags that you need! In addition to standard OSHA safety tags, our comprehensive selection of safety tags incorporates key categories like Lockout/Tagout, Equipment Status and Record Inspection.

Choose the Right Tag Material

Select a material based on your application requirements to ensure your message is conveyed clearly and effectively.

Poly Cardstock (PCT)

Pulp-free tags have no wood pulp or paper content, unlike standard cardstock tags, and are available at an economical price.

Material Features
- Thin, pliable 0.010" poly-based tags will not crack, distort, or shrink
- Waterproof and tear-resistant from incidental pulls and snags
- Can be printed on both sides
- Scuff-resistant matte surface is easy to write on with pen or marker
- 3/8" non-reinforced hole

Applications
- Indoor usage
- Non-reinforceable hole

Rigid Plastic (PVT)

High-strength rigid plastic tag is ideal for use in tough industrial environments — resists chemicals, tears, and abrasions.

Material Features
- 0.015" thick rigid plastic tags are relatively bendable
- Matte surface is easy to write on with pen or marker
- Can be printed on both sides
- 3/8" hole, reinforced by a pull-proof metal grommet

Applications
- Indoor and temporary outdoor usage
- Chemical and dirty/greasy environments
- 2 years outdoors

Laminate Plastic (PCTL)

Nearly indestructible tag is made to withstand tough, abusive conditions.

Material Features
- 0.010" cardstock tag sealed by a thick, 0.007" laminate on both sides – right to the edges – to protect the printed image
- Tear-proof, weatherproof and chemical-resistant
- Durable to withstand dirt, grease, liquid splashes and rough handling
- Scratch-resistant matte-finish laminate surface is easy to write on with pen or marker
- 3/8" hole, reinforced by a pull-proof metal grommet
- Available in Lockout Tags

Applications
- Indoor and outdoor usage - when the most durable tags are required
- Chemical applications and tough industrial settings

Self-Laminating Tags

Protect written messages and photos when your life is on the line.

- Write information and insert a photo (where applicable), then laminate your own tag
- Protection from moisture, chemicals and dirt
- Prevents tampering with the information
- Dual self-laminating polyester flaps pre-attached at the top
- Reinforced by a pull-proof metal grommet

Note: A tag shall not be used in place of a permanent sign or label for hazards in normal use, operation or maintenance.
Standard Safety Tags

Choose from two back message styles, noted under each part number as A and B.

Tag Holder Systems

Insert, enclose and contain your status alert tags in a secure tag holder system.

- Mount durable plastic holder and insert tag to display alert status
- Default “DO NOT USE” message shows when no tag is inserted
- Available in two styles:
  (A) Secure-Status – Durable plastic holder measures 10”H x 3 1/2”W x 3/8” overall with 5 1/2”H x 2 3/4”W clear view front window. Upper jaws close to fit onto post rails or poles up to 2 3/8” diameter or through any 1/2” opening to lock out a device. Accommodates up to four padlocks (sold separately).
  (B) Status Alert – Durable 0.060” thick plastic holder measures 12”H x 4 1/2”W overall with a 2 3/4” diameter opening at top. Insert tag into the 5 1/2”H x 4 1/2”W clear polycarbonate plastic front pocket, secure with nylon tie (sold separately) and mount in a visible location with large opening at the top.

(A) Secure-Status Holder

(B) Status Alert Holder
**Roll of Tags**

**Portable Dispenser Roll for your On-The-Go Needs**

- Keep a large quantity of tags readily available
- Tags are connected end-to-end with perforations, and housed in an convenient cardboard dispenser
- Dispenser box measures 6 5/8”H x 6 5/8”W x 3 5/8”D
- Box features 1 1/2” perforated center hole for mounting
- Poly Cardstock tags are tear- and water-resistant
- Tags measure 6 1/4”H x 3”W, with 3/8” hole
- Writable matte surface, printed on both sides with space to sign, date and add notes
- Available in 100 and 250 tags per roll

**Thick Plastic Tags**

This tag can take the abuse of the harshest industrial environment. It’s thick, tough, and rigid to withstand tugging, pulling, twisting and bending.

- Made of tough recycled polycarbonate
- Relief text increases visibility
- Double-sided
- Polycarbonate plastic resists most corrosive environments
- Write on these tags with permanent marker
- 3/8” hole without grommet meets dielectric requirements
- Measures 5 7/16” x 3 1/16” x 1/8”
- Available in packages of 5 and 25

**General Safety Tags**

Safety Tags

Scaffold Status 3 ‘n 1 Fold Tag

Quickly and conveniently change the safety status of your scaffold with our 3 ‘n 1 Fold Tag.

- Display DANGER, CAUTION or ATTENTION messages all from the same tag with a simple fold
- Ideal for use with Secure-Status or Status Alert Holder (sold separately)
- Front and back display the same color with related info
- Folded tag size: 5 3/4" x 3 1/4". Unfolded size: 11 1/2" x 6 1/2"
- Available in Poly Cardstock (PCT) or Rigid Plastic (PVT) in packs of 5 or 25

Simply fold tag to display appropriate message. When status changes remove tag from holder and unfold to change message. Shown with Secure-Status Holder.

Loop Strap Tags

Attach tags by the self-fastening strap for quick marking of hazards.

- Hangs on its own strap by looping the vertical strap around itself
- Flexible 0.014" polyethylene plastic
- 5 1/4" x 3 1/4" tag body with the strap being 1 3/8"W x 6"L x 7/16" wide opening
- Resists grease, dirt, and moisture
- Message is printed on one side only
- Can be written on with permanent marker
- Available in packs of 25

Aluminum Inspection Record Tag

- Four-year aluminum tag is made to withstand the inspection period
- 0.020" Aluminum
- Pack of 5
