#### PORTABLE LABEL PRINTER PARTNER

## **Continuous Self-Laminating Labels**

Self-Laminating Vinyl (VA)

• Fast-loading Label Cassette includes both label material and ribbon to make changing labels easy

EXCEED

OUR VISION

· Self-laminating adhesive labels for wire/cable identification include a white print-on area and clear overlaminate

## **Continuous Heat Shrink Labels**

Heat Shrinkable Polyolefin (H1, H2)

- Fast-loading Label Cassette includes both label material and ribbon to make changing labels easy
- Shrink ratio 3:1
- Non-adhesive flattened heat shrinkable polyolefin for wire/cable identification

## Epson Print Technology

Epson is a global technology leader dedicated to becoming indispensable to society by connecting people, things and information with its efficient, compact and precision technologies.

# **Combined with Panduit's Labeling and Software Capabilities**

Panduit creates leading-edge labeling solutions for electrical and network environments, from the data center to the telecom room, from the jobsite to the plant floor, Panduit has you covered.

# **Results in Best-in-Class Performance**

Panduit has entered into a strategic partnership with Seiko Epson Corporation to jointly develop printer and labels for the industrial, construction and network infrastructure markets. The results of the partnership are printers with best-inclass print quality, speed, capabilities and label selection. The MP100 & MP300 printers and labels are the first of many products that will be jointly developed through this partnership.
