PANDUIT

19" Rack Mount Bracket Kits
For use with Pan-Punch 110 Tower System

Part Numbers: P110TB300Y, P110TB900Y

P110TB300Y Bracket Kit shown. P110TB900Y will use three brackets.

The brackets can be used to mount one tower and one vertical cable manager or two towers. The brackets will not accommodate two vertical cable managers. The vertical cable manager can be mounted only on the right side, as shown, using the labeled holes below.

Vertical cable manager holes
