TX6A™ Category 6A UTP Field Term RJ45 Plug

**Specifications**
The TX6A™ Category 6A UTP Field Term RJ45 Plug is a simple-to-attach plug for field termination of 4-pair unshielded twisted pair cable. Providing Category 6A performance the TX6A™ plug is also compatible with Category 6 and 5e systems. The two-piece straight and up/down angled TX6A™ plug terminates 4-pair, 22 - 26 AWG, 100 ohm unshielded twisted pair cable and uses proven TG-style forward motion termination technology to optimize performance by maintaining cable pair geometry while eliminating conductor untwist.

**Applications**
The simple-to-attach TX6A™ Field-Term Plug is ideal for connecting the increasing number of network-powered devices requiring a plug connection to the network and where field attachment of the plug to UTP cable is desired. Typical applications include:

- Wireless access points (WAPs)
- Power over Ethernet (PoE) LED lighting
- IP security cameras and motion sensors
- Building access control points
- Network-attached Audio/Video equipment
- Other PoE or HDBASE-T powered network devices

**Technical Information**

<table>
<thead>
<tr>
<th>Category 6A/Class EA performance:</th>
<th>Exceeds ANSI/TIA-568.2-D Category 6A and ISO 11801 Class EA channel performance requirements with up to two field term plugs in channel. Meets or exceeds proposed TIA Modular Plug Terminated Link requirements with up to two field term plugs in link</th>
</tr>

**Key Features and Benefits**

- Simple two-piece assembly: Field friendly, easier to handle during field installation, saving time and reducing termination error
- 45° up/down angled version: Angled version allows improved cable routing in tight spaces
- Slim plug profile: Easily fits in tight port spaces or high-density port configurations
- 22-26 AWG termination capable: Works with all commonly used solid and stranded UTP cabling
- TG-style termination technology: Proven electrical performance and quick installation speed from the same forward-motion termination technology used in Panduit’s Mini-Com TG modular jacks
- Category 6A, 6, and 5e compatibility: High performance capability and wide cable size range enable a single plug for all common UTP cabling systems
- Re-termination: Ability to re-terminate up to 20 times with no additional parts, providing convenience and cost-savings in cases when plug must be re-terminated to cable
- Compact termination tools: EGPT is a fold-able, lightweight tool which terminates the straight and angled field term plugs. EGJT-1 is a fold-able, lightweight tool which terminates the straight field term plug
TX6A™ Category 6A UTP Field Term RJ45 Plug

**Dimensions**

**Straight Field Term Plug w/out protective cover**

- 0.53 [13.5]
- 1.82 [46.2]

**45° up/down Angled Field Term Plug w/out protective cover**

- 0.54 [13.6]
- 2.05 [52.0]

**Straight Wire Cap Assembly**

- 0.62 [15.7]
- 0.53 [13.6]
- 0.72 [18.3]

**45° Angled Up/Down Wire Cap Assembly**

- 0.95 [24.1]
- 0.54 [13.6]
- 0.60 [15.2]
