

PANDUIT For All of Your Labeling Needs

Generate all of the labels you need quickly and easily from multiple data sources with **EASY-MARK™** and **CAD-CONNECT™** Labeling Software

- Simplify label creation for wire/cables, safety signs, pipe marking, voltage marking, terminal blocks, and more
- Automatically generate standards compliant legends on labels and signs with the new market specific application tools available in **EASY-MARK™** Software
- Import data previously created in Excel® (.xls) files or comma separated value (.csv) files onto labels with **EASY-MARK™** Software
- Capture, organize, and import identifiers from electronic CAD files into **EASY-MARK™** Software with **CAD-CONNECT™** Software
