

PANDUIT PLATINUM TOOL SERVICE PLAN TERMS AND CONDITIONS

1. **Description of Platinum Tool Service Plan.** Panduit offers a Platinum Tool Service Plan for its Cable Tie Auto Tools and Pneumatic Tools. Customers pay an annual service fee (hereinafter, the “Annual Service Fee”) and in exchange, Customers receive reduced repair fees and quicker service response time for eligible tools. If Customer does not purchase the Platinum Tool Service Plan, Panduit charges a Flat Rate Repair Fee for tools needing repair. Under the Platinum Tool Service Plan, repairs are half the Flat Rate Repair Fee, and Service Response Times are much faster. Tools will be repaired within 48 hours of physical receipt by Panduit of the tools, then shipped back. This expedited Service Response Time is limited to two (2) tools returned on one order. Additional tools received on that same order may result in a longer Service Response Time.
2. **Exclusions from Platinum Tool Services.** The following services are NOT included as part of the Annual Service Fee and will be subject to additional charges which Panduit will quote to Customer at time of request:
 - a. On-site maintenance service at Customer’s facility, unless otherwise agreed to by Panduit and Customer.
 - b. All costs for repairs due to causes not attributable to normal wear and tear, including, but not limited to, repairs necessary as a result of Customer’s improper attempts to repair the tools, catastrophe, fault, negligence, improper use or misuse of the tools, or causes external to the tools including, but not limited to, electrical system transients and air supply quality and/or malfunctions.
 - c. Refurbishment that exceeds half the cost of a new tool.
 - d. Tools must be returned complete. If parts are missing from the tools when the Customer sends the tools to Panduit for service, the Customer will be charged a replacement fee for any parts missing from the tools.
