

Regulation (EU) 2025/40 on Packaging and Packaging Waste (PPWR)

1. Unique Identification of the Packaging

Packaging Family: Nylon bottle caps.

Packaging Identification: The packaging covered by this declaration includes Panduit-branded nylon bottle caps used as sales, grouped, transport, and protective packaging.

Traceability Method: Packaging specification number, packaging SKU, engineering drawing number, production lot number, and/or other internal identification records maintained by Panduit.

2. Manufacturer

Panduit Corp.
18900 Panduit Drive
Tinley Park, Illinois 60487
United States

3. Sole Responsibility Statement: This Declaration of Conformity is issued under the sole responsibility of the manufacturer identified above.

4. Object of the Declaration: The object of this declaration is the non-foam plastic packaging identified in Section 1 of this declaration, including its material composition, structure, and intended use as sales, grouped, transport, or protective packaging, as applicable, and placed on the EU market by Panduit.

5. Declaration of Conformity: Panduit Corp. hereby declares that fulfillment of all applicable requirements as of August 12, 2026 set forth in Articles 5 through 12 of Regulation (EU) 2025/40 has been demonstrated through the conformity assessment procedure and supporting technical documentation maintained by the manufacturer.

6. References to Harmonised Standards and Technical Specifications. For the purposes of the conformity assessment, Panduit may rely upon applicable harmonized standards, recognized industry standards, supplier declarations, material specifications, engineering records, test data, calculations, and other technical specifications maintained in the technical documentation.

7. Notified Body. Not applicable. The conformity assessment was carried out under Module A (internal production control) in accordance with Annex VII of Regulation (EU) 2025/40, without the involvement of a notified body.

8. Additional Information. Technical documentation has been compiled and is maintained by the manufacturer using, as applicable, test data, supplier declarations, material specifications, packaging specifications, and internal engineering records. This declaration applies solely to the packaging identified herein. Where a packaged product is subject to additional European Union legislation requiring a separate declaration of conformity or declaration of compliance, such declarations may be maintained separately or as part of a conformity dossier, as applicable.
