- 3 Continuous Tapes
- 4 Mixed Length Labels
- 5 Patch Panel/Face Plate Labels
- 6 Printable Heat Shrink
- 7 Component Labels
- 8 Continuous Terminal Block Labels

# MP500 PXE™ Series Mobile Printer

## Printing Labels Your Way:

Whether with the mobile app or PC, choose the option that best suits your application.

## Quick Cassette Change:

Fast-loading label includes both label material and ribbon to make changing labels easy.

## Easy-to-Replace Cutters:

No tools required. User-replaceable auto cutter unit and half cutter unit. If the cutter becomes dull, replace the cutter unit.

## Bulk Printing Capabilities:

By using a bulk label kit, you can print a large number of labels at a time. If you use the rewinder unit that is available as an option, you can carry the large number of labels easily because the unit can rewind the printed labels neatly.

# MP500 PXE™ Series Mobile Printer

## EASY-MARK™ LABELING SOFTWARE

- Common templates to easily create and print all electrical and network applications
- 11 languages included
- Available for USB flash drive, CD, web download or network server-based version
- Works with Panduit portable and desktop thermal transfer printers, Panduit embossing systems and other laser jet and ink jet printers
