

Title: Printing to the TDP43ME Printer from Word

Purpose: To provide instruction on the procedure of printing from Word to the TDP43ME Printer.

Audience: End users of the TDP43ME and Technical Support staff

Procedure:

1. In Word click on Layout, Select Size then Custom Label, example a 4"x6" continuous label. Change Per Size Width to 4" & Height to 6". Set as Default and OK and Yes to the message. See Fig 1

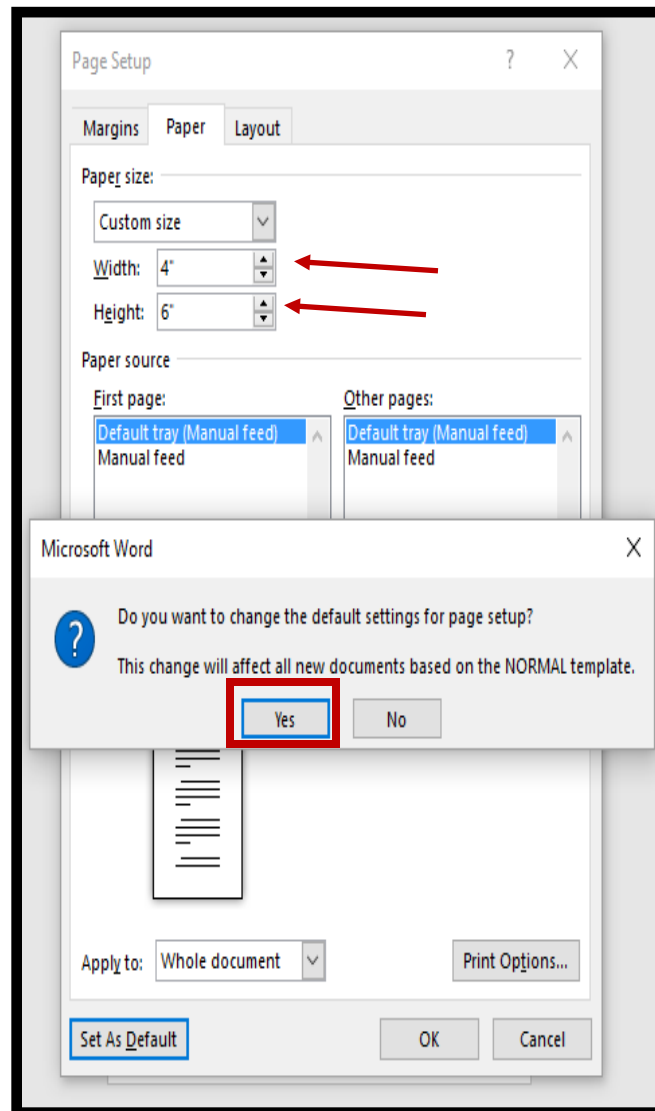

Fig 1

2. Create your label. See Fig 2

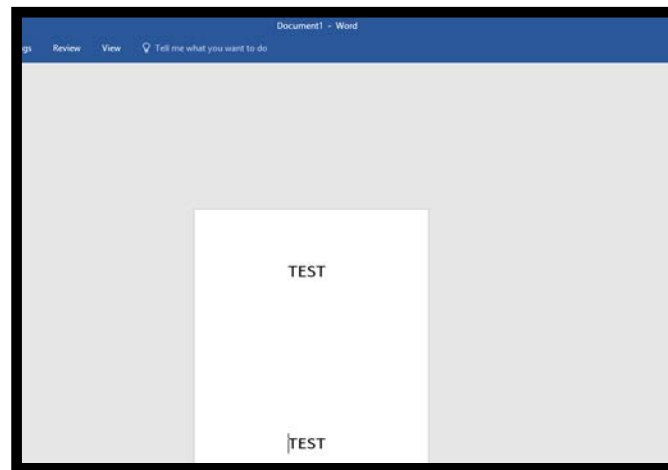

Fig 2

3. Go to your Devices and Printers, right click on the TDP43ME Printer and click on Printing Preferences. See Fig 3

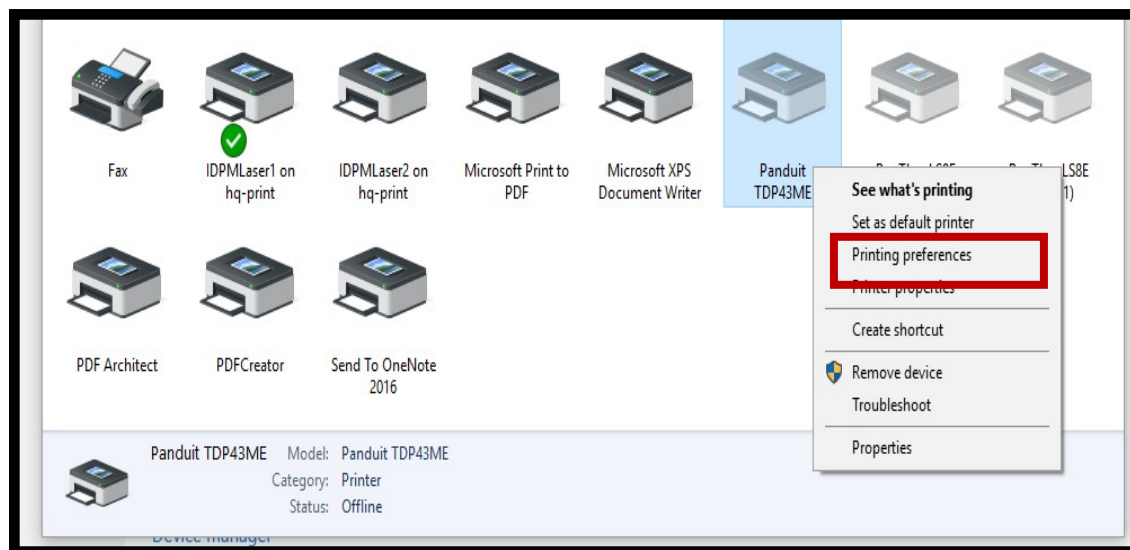

Fig 3

4. Change the Width to 4" & Height to 6" and click on the Advance Setup tab. See Fig 4

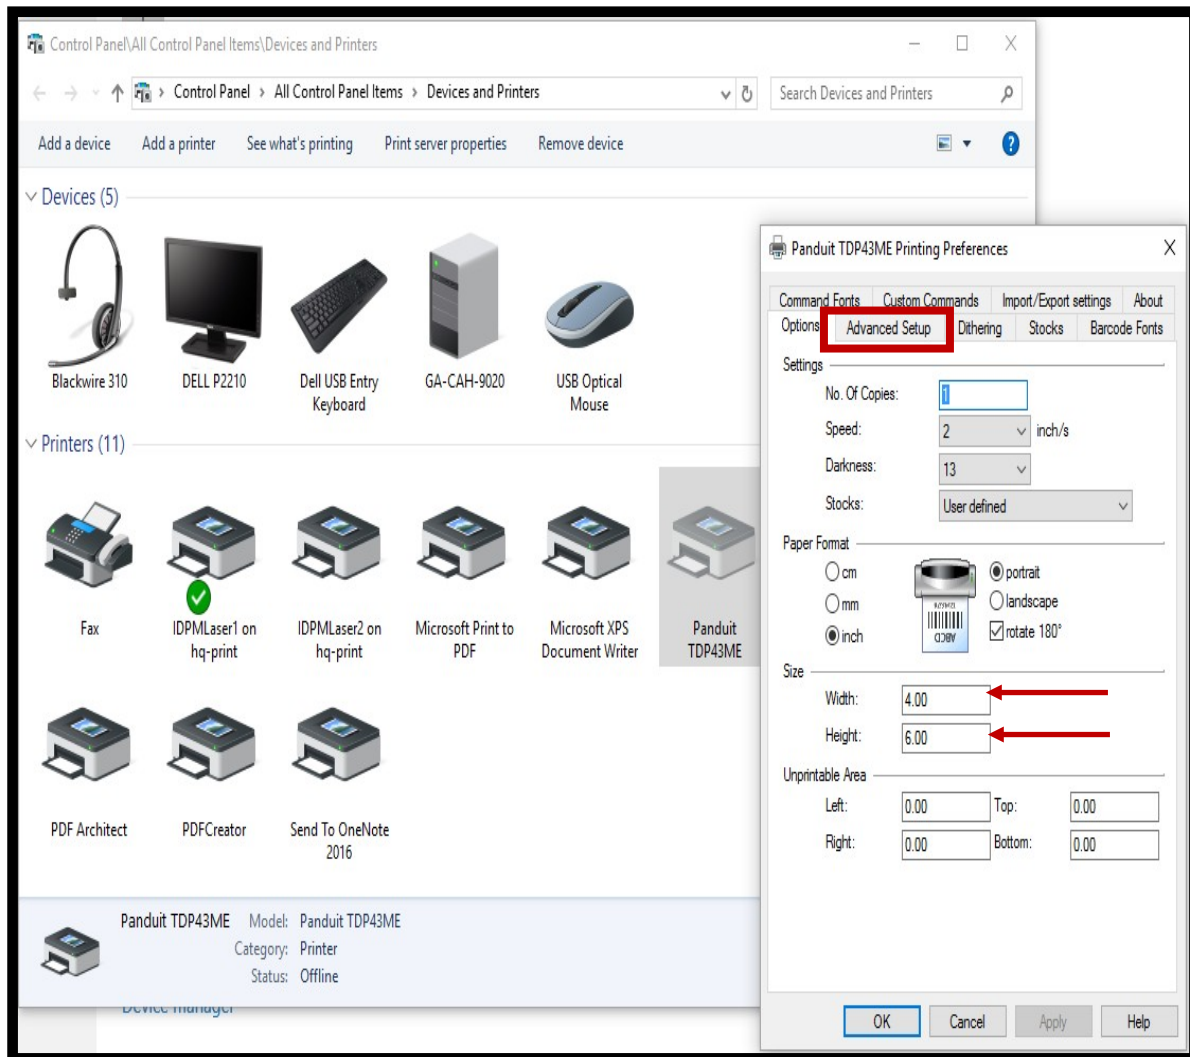

Fig 4

5. Click on Continuous and Apply and OK. See Fig 5

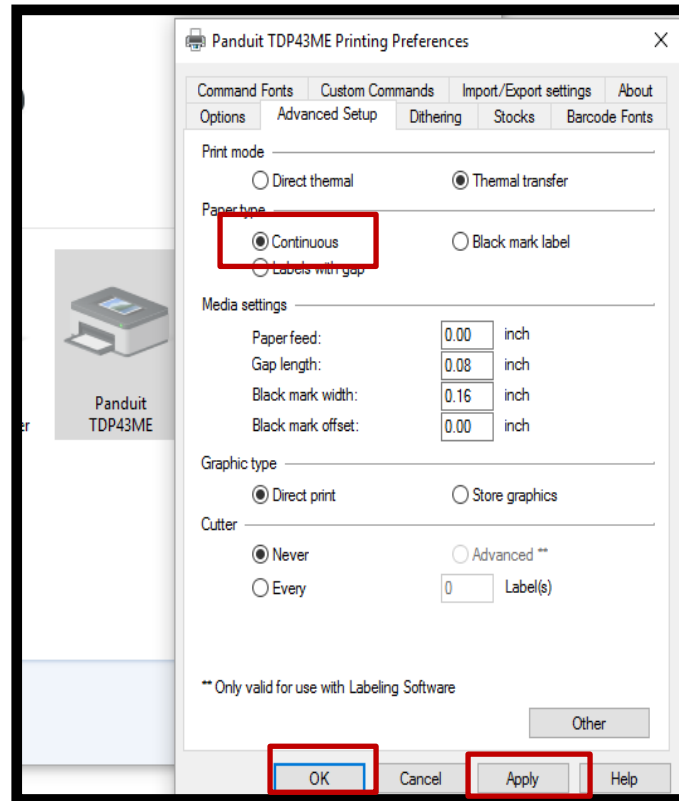

Fig 5

6. Go to File and Print in Word Choose the TDP43ME Printer, Click on Properties check the Width & Height and make sure it set as a 4" x 6" then Click on Advance Setup. See Fig6

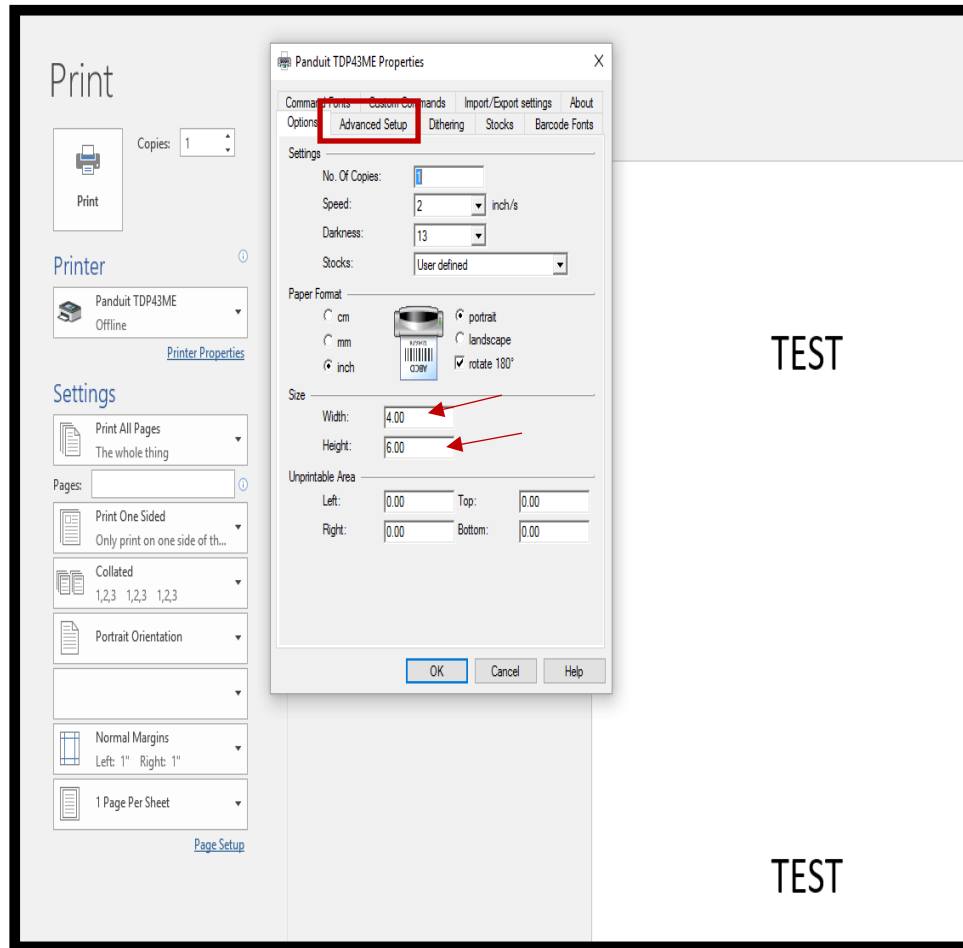

Fig 6

6. Make sure Continuous is Selected and click OK and Print. See Fig 7
