

Build BESS Better

Exhibit the highest level of quality to earn project preference.

Panduit delivers:

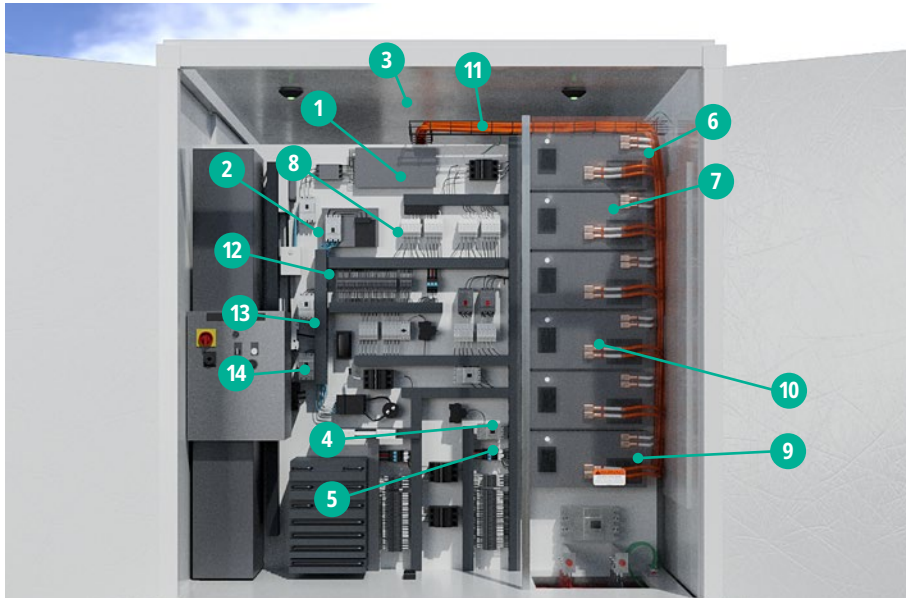

- 30,000 product components to build your vision
- UL Listed product solutions, to create UL Listed systems
- Line review consultations to optimize design and manufacturing
- Training for your team by local Technical Solutions Engineers

BMS:

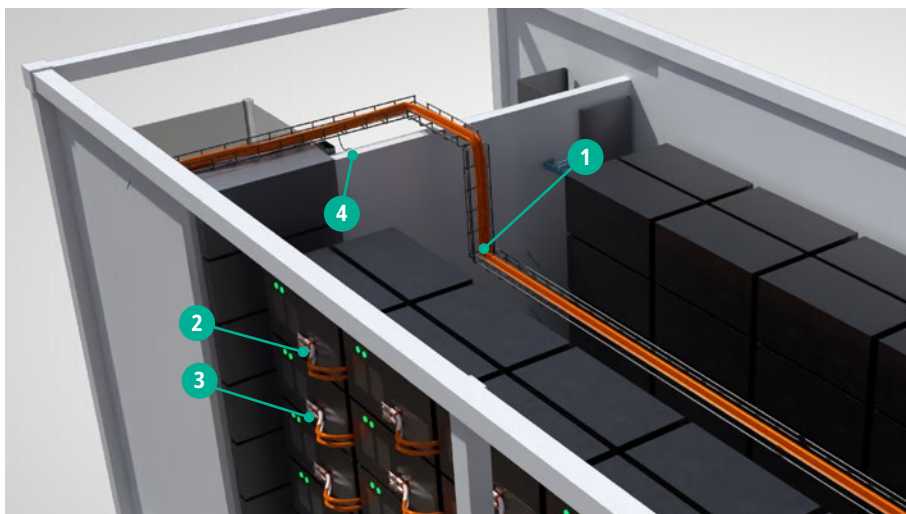

Optimize Space and Organization

- 1 Halogen Free Duct
- 2 Panel Max Wiring Duct
- 3 Wire Basket
- 4 Cable Tie Mounts
- 5 Cable Ties
- 6 Abrasion Protection
- 7 Heat Shrink
- 8 Wire Identification
- 9 Safety Labels
- 10 Power Lugs
- 11 Bonding Straps
- 12 Terminals & Ferrules
- 13 Communication Cables
- 14 Terminal Plugs & Jacks

Battery Stack:

Route & Connect Power and Communication Cables

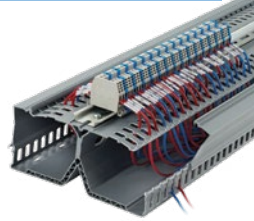

- 1 Route Power & Communication Cables
 - Wiring Basket
 - Cable Ties
 - Abrasion Protection
- 2 Connect Battery Modules
 - Power Lugs
 - Heat Shrink
- 3 Identify Wires & Cables
 - Wire Labels
 - Label Printers
- 4 Bond System Components
 - Bonding Straps

We'll help you choose from 30,000 available components to bring your design to life.

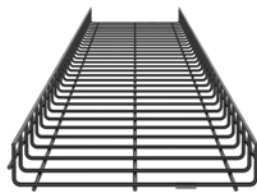

Duct

As the leader in wiring duct, we offer a complete selection of space-saving and shielded product solutions.

Wire Basket

Manage connections between the BMS and battery stacks with this next generation system.

Cable Ties & Mounts

Fasten, bundle, clamp, and manage wiring.

Abrasion Protection

Choose from spiral wrap, CLT, braided sleeve, and grommet edging to protect & organize wires.

Heat Shrink

For abrasion protection or labeling, as well as insulation. Meets UL 224 VW-1 flammability standard.

Wire Identification

Choose from Heat Shrink, Turn-Tell, and Self-Laminating to streamline installation and O&M.

Safety Labels

Complies with NFPA 70E standard. Print using DP4300M desktop printer.

Power Lugs

Designed for easy wire entry and repeatable, quality crimps. Meets UL 486 A/B and NEBS level 3.

Bonding Straps

Flat ferrule design reduces effects of EMI better than round stranded-type cables.

Terminals & Ferrules

Designed for fast assembly and reliable performance. Ferrules meet UL486F, CSA-C22.2, and DIN standards.

Communication Cables

Choose from copper or fiber in multiple performance levels, including shielded.

Terminal Plugs & Jacks

Choose from a wide selection of flexible, space-saving connection options.
